## CORONA VIRUS CORRELATES TO COSMIC RAY SPIKES

From China to Sri Lanka to Moscow. SEPT 2019. Overwhelming evidence. Authors have declared that no competing interests exist. There were 273 spotless days in 2019 and no sunspots for 40 days from

November 14 to December 23, 2019. On December 31, 2019, a cluster of pneumonia of unknown etiology was reported in Wuhan City, Hubei Province of China. Although the outbreak of pneumonia was determined to be caused by the 2019 Novel Coronavirus (COVID-19), the true cause of its sudden emergence is unclear. ## DARWIN'S "MISSING LINK"

Immortality is no secret. SOLAR SOLUTIONS -> We devolved from Mega Fauna! The Solar weather was different to dinosaurs and whales. Our blood plasma and other bioelectrical organizations evolved under severe conditions. The Ginkgo tree has survived extinction 200 million years. It's antiviral! No more dead virii in your blood plasma! Find solar evolutionary damage and restore health.

## SOLAR PARTICLE AND WAVE PROPAGATION SHELTER

AUTHORS SUPPOSITIONS : Helium 3 solar wind may downdraft through geomagnetic sils, such as volcanic island heat seeps. Magmas on the Moon are Mares are Magnetic Ma'gentic. Barns singed wood weather proofing seals... Moisture? Hydrogen is electrically biased and/or magnetically biased. Electrical bias in the wood soaks magnetic field lines *trough* the "path of least resistance". Lightning in moist air strikes dry electric trees. In heat wave solar plasma, hydro static lumbers conduct magnetics. Dust your tree farm silver!?! Wear edible silk undies!?! Triangular (g)rooves baffle long infrared (in a rect.) and diffract energy waves. Plastic, (plant fibre and concrete) bricks are best. Plasters burst plasmas. Radio deflects some magnetic waves, so sound proof instead. Water is made in the sky! Hydrogen fuel cells are real!

## กัญชา (THAI) SHORT SIGHTEDNESS

Myopia in China is everywhere. Could cheap aluminum nickel alloy YUANS be blinding genetically predispositioned youth? In Google's dictionary "Short Sightedness" is สายตาสั้น in Thai. Flip it around and upside down and it's Nickel Wobble. "Nickel" is as old as a stone tablet to a pleathered press.
